SPRING

The arrival of Spring with drier days allow for our first outdoor weddings to take place.

The lush greens return and budding flowers fill the gardens, with wildflowers lining our driveway. In Springtime you can make the most of all of our indoor and outdoor entertaining spaces, and the light from the longer days can be wholly embraced by photographers.

With long days and warm weather, Summer weddings here truly are magical.

Hazy morning light and bright afternoons create incredible backdrops for your ceremony and reception, whilst our courtyards, gardens and terraces make fabulous entertaining spaces for your guests to play garden games and enjoy drinks and live music.

AUTUMN

In Autumn our couples enjoy emotive skies, stunning sunsets and incredibly colourful gardens.

Autumn weddings here are like no other. Most couples choose to marry in The Orangery, and with oak beams, floor to ceiling glass, and unobstructed views of Ely Cathedral, The Orangery provides all the benefits of an outdoor ceremony without the uncertainty of the weather.

We believe our venue is at its best in Winter - it's an intimate time of the year, and perfect for a wedding. Think roaring fires, cosy interiors, candles and fairy lights. Winter weddings at The Old Hall Ely are incredible, with December weddings benefitting from our beautiful Christmas decorations, featuring no less than 17 Christmas trees!

Our indoor ceremony space, The Orangery, is perfect throughout the year.

Featuring an incredible skylight, hand crafted English oak floors and beams, and floor to ceiling glass which can all be opened to unveil a stunning inside-outside space, The Orangery boasts impressive views over Ely Cathedral and our grounds.

THE GARDEN
PAVILION

Our outdoor ceremony space, The Garden Pavilion, is perfect for Spring and Summer weddings. This hand-crafted pavilion was inspired by our local surroundings. Set in our manicured gardens, with views over the Cathedral and our lakes, with a grand outdoor aisle, The Garden Pavilion is simply stunning.

"I literally had a fairy-tale wedding here at the Old Hall Ely. The venue/house is gorgeous, the views are stunning, the staff are incredible, and everything is just perfect. I got married outside in the garden pavilion, enjoyed some drinks and canapés on the terrace outside, had a delicious dinner in a beautiful dining room, and then enjoyed an intimate time with family cozied up by not one but two majestic fireplaces. My family loved their room/view when they stayed overnight - it was so nice that people could enjoy the wedding and just go upstairs to bed when they were tired. The wedding coordinator was so friendly and helpful, the staff serving drinks/canapés/dinner were very sweet, and the bartender was hilarious and entertained one of our very energetic/crazy nieces. There were two people who looked after us as well, they were really great at organising everything and taking care of us. I could not have asked for a more beautiful wedding - there was not one hiccup the entire day, it was pure perfection."

"We have found it difficult to find words suitable enough to express just how grateful we are to you all. Every element of our wedding felt so personal and tailored to us as a couple. We really enjoyed sharing our wedding journey with you, and thanks to your hard work and professionalism, it went without a hitch. Nothing was too much trouble, so thank you for your relaxed and accommodating approach. We will treasure the memories of our wedding and The Old Hall Ely, always and forever."
