CASE STUDIES

KATYA KATYA LONDON

The Orangery was the chosen space for the amazing launch event of KATYA KATYA LONDON's new bridal collection. The renowned bridal wear designer dazzled 400 guests with a spectacular catwalk and Cava reception, showcasing their stunning gowns for the first time. We were honoured to host such a special occasion for them. The same gowns later made a splash at New York Fashion Week.

ROLEX & WATCHES OF SWITZERLAND

We were asked to create an evening of excitement and reward for Rolex's top customers in Cambridgeshire. From the initial point of contact we knew we were the perfect venue for them. From creating the perfect atmosphere, menu and wine list, to orchestrating the delivery and set up of their new collection of watches and display cases we put on a night to remember for their clients.
